## **PARTNER AND ADVISOR FOR SME'S**

Our core competences are the foundation, management and development of companies as well as crisis management. Our many years of operative and strategic experience enable us to take opportunities, develop suitable strategies and devise targeted solutions for entrepreneurial challenges.

Our strength lies in our sense for three things and their interaction: The company, the situation and - at the core - the people involved.

**Management | Consulting | Mandates as Member of the Board of Directors | Crisis Management, Change Management | Support Marketing Processes and Order Acquisition | Succession Planning, M&A**
